- You will label each image with the appropriate term
- You will include a definition with each label
- *This poster will be completed and turned in today!*

### **Poster Rubric:**

**S The poster is outstanding, creative, and communicates clearly.**

**T The theme of the poster is clear immediately. The main or general ideas are supported by appropriate, specific details. Main ideas expand the theme. Information is accurate. The student comprehends that core curriculum. Space, shapes, textures and colors provide information and make the poster easier to understand. Pictures, photographs, drawings, diagrams, graphs, and other elements add clarity. The words are appropriate for the topic and audience. The form of the poster reflects the author's purpose. The overall impression is of one complete work and not just a collection of pieces. The work is very neat.**

**U The poster resembles one receiving a rating of T, except one or two important are not excellent.**

**V The poster resembles one receiving a rating of W, except one or two important elements are well done.**

**W The poster is difficult to understand even when it is explained. The work lacks clear main ideas. Some information is incomplete or inaccurate. The student does not show a mastery of the core curriculum. Spaces, shapes, textures and colors are missing or ineffectual. Pictures, photographs, drawings, diagrams, graphs, and other elements are missing or inappropriate. The work is sloppy.**

**X The poster is very poorly done.**
